

# SUZUKI PREP

*for children ages 3-4*

Fridays 2:45pm

Suzuki Prep classes are for children ages 3 to 4 and an adult caregiver. They are designed to introduce children to music through singing and movement. Every week, the teacher leads the children and parents through songs, accompanied by dancing, jumping, drumming, and clapping. Other activities are focused on building finger dexterity or musical reading readiness. There is live piano accompaniment for every class, which helps children develop their hearing of pitch and harmony. The class blends fun and excitement with musical learning.

SSN faculty members come in regularly to introduce different instruments. In this way, the class helps children choose an instrument for later study. After one to two semesters of Suzuki Prep, many students begin instrumental lessons with the Early Beginners program.

There will be 14 45-minute sessions offered for the Spring 2019 semester beginning on January 25, 2019. Tuition is \$465.00 for each adult caregiver plus child; siblings receive a \$50.00 discount. There is an annual registration fee of \$45.00.

Classes are limited to 8 participants. You may RSVP for a free trial class by calling the SSN Office at 617.964.4522 or emailing us at [email@suzukinewton.org](mailto:email@suzukinewton.org). **Since Suzuki Prep is one of our most popular offerings, the class fills up quickly. Register early to reserve your spot!**
